

BABY BLISS

LEARN MORE ABOUT BABY BLISS

We are so glad you are interested to learn more about using cloth diapers. When you join the Baby Bliss family you enjoy all the benefits of cloth diapering including saving money, reducing your carbon footprint, reducing landfill waste, using less harmful chemicals, and more. We want to support you in making sure this is a great experience for caregivers and for babies.

Why Choose Cloth Diapering

Allow for more breathability.

Cloth diapers are made from cotton and result in less skin irritation and rashes as they breathe better than disposable diapers.

Fewer chemicals on baby's skin.

Cloth diapers are free of the many chemicals contained in disposable diapers. Baby's newly developed outer skin layer absorbs about 50 different chemicals if you use disposable diapers and wipes. They are also soft against your baby's skin.

Earlier Potty training.

Using a cloth diaper allows your infant to feel the wet sensation against their skin and become more aware of when they have gone potty. Disposable diapers wick away the wetness, keeping your infant unaware of a wet diaper for longer periods of time.

better for
baby*

Save money.

Did you know it's actually cheaper to use cloth diapers?

Allow convenience.

Instead of running out to purchase disposable diapers, you can have cloth diapers dropped off at your home allowing significant convenience.

Be environmentally friendly.

The Environmental Protection Agency reports that about 20 billion disposable diapers are dumped in landfills each year, accounting for more than 3.5 million tons of waste. And it's estimated that it will take 250-500 years for those diapers to decompose. Feel good about treating our earth better by using cloth diapers.

The Process, Easy as 1, 2, 3...

1. We will establish a weekly pick-up/drop-off day and location with you.
2. The morning of your pick-up day please place your Baby Bliss bag of soiled diapers outside, out of direct sun. We'll pick them up & exchange them with your fresh set for the week.
3. Upon receiving your weekly delivery take out the clean diapers and set them up at your diaper station and re-stock your diaper bag.

Getting Started

Purchase Beginner's Items

In addition to the Starter Pack we recommend a few more items to help you to fully utilize our diaper services. You can purchase these from our website and we will add them into your delivery.

The Beginners Pack

Two must-have items:

4 to 6 Diaper Covers

1 set of Snappi Diaper Fasteners (comes in a 3 pack)

Additional Add-Ons

Available for purchase at www.babyblissnv.com

Wet Bags:

Kanga Care Wet Bags are designed as a small, portable diaper pail to store your dirty cloth diapers while you are on the go. Store wet items, diapers, and more right in your wet bag when on the go.

Re-usable Cloth Wipes

Avoid placing chemicals on your baby's skin while cleaning and changing them. Cloth Wipes can be rented and laundered with our service (40 wipes per week delivered with your diapers).

Cloth Diaper Pail Rental

With the Odor-free Diaper Pail, once it's in the bin, you never have to see, nor smell it again. Activated charcoal filter keeps the stink in and lets the moisture out while plastic handles ensure the lid is sealed tight. This rental fits perfectly with the complimentary liner included in your subscription.

FAQ's

How do you pick a delivery date when babies can come at any time?

Easy! You simply schedule a pre-baby delivery. Then you text us to turn on your surface once baby is home.

What kind of cloth diapers are they?

We source our pre-fold diapers from Utah (as locally as we could). They are 100% cotton twill weave unbleached pre-fold cloth diapers that are soft, durable, and highly absorbent, with six layers of absorbent cotton in the center.

Do I have to buy the cloth diapers?

Your service includes rental of the pre-fold cloth diapers to be placed within diaper covers.

How does the subscription work?

Customers will receive one week's supply of pre-fold service quality diapers, delivered in a cloth diaper bag on their 1st and 2nd delivery. In the following weeks, customers will receive back the number of soiled diapers from the week before. Whenever you need to make changes to your order (i.e. quantities, etc.) please notify us by the Friday prior to that week's delivery, or the change will not go into effect until the following week. In the event that you forget to leave out your soiled diapers, we will still leave a clean bundle for you. For any missed pickups, we will pick up two weeks' worth of diapers the following week, and still, leave you a 'loaner' bag of diapers for that week. If however, you forget to leave the supplies out a second week in a row, we will not leave any diapers and you must call us to schedule an extra pickup for an additional fee.

How does the billing work?

Charges for the diaper service are billed in 4-week increments (four-week minimum). Anytime there is a balance on the account, the credit or debit card we have on file is automatically charged. Our customers receive a copy of the charges for verification purposes. We accept Visa, MasterCard, American Express, and Discover.

Where do I keep the cloth diapers during the week?

Upon receiving your weekly delivery, we recommend you take out the clean diapers and set them up at your diaper station and re-stock your diaper bag, etc. Then place your Baby Bliss re-usable bag in a hamper ready to receive your soiled diapers for the week.

How often do cloth diapers need to be changed?

Diapers need to be changed when they are soiled. No matter what type of diaper you use a baby should be changed shortly after they are soiled to ensure a happy and healthy baby!

Our standard service comes with 80 diapers. This gives you 11 changes a day. Based on your actual usage we will work with you to increase or decrease the number of diapers based on your needs

Thank You!

Thank you for considering the cloth diaper experience. We look forward to partnering with you and are here to answer any questions you might have.
